Abstract

This paper presents a symbolic interpretation of **Matthew 10:34**, proposing that the "sword" spoken of by Jesus Christ is not a physical weapon but the spiritual power of His holy actions and holy virtuous words. The sword confronts and cuts away the sinful conditions that create a false peace apart from God. It exposes evil desires, the corruption of the heart, greedy works, selfishness, and every form of sin that resists the Kingdom of God. Through this spiritual sword, Christ establishes true peace founded upon holiness, righteousness, and obedience to the will of the Father.

1. Introduction

In **Matthew 10:34**, Jesus declares:

"Do not think that I have come to bring peace upon the earth. I have come to bring not peace but the sword."

This statement is not a call to violence. Within this symbolic interpretation, the sword represents the living power of Christ's holy actions and holy virtuous words. It is the divine truth that penetrates human sinfulness and removes everything that opposes God's holiness.

2. The Sword as Holy Actions and Holy Virtuous Words

The sword symbolizes the entire ministry of Jesus Christ.

Every teaching, miracle, act of mercy, forgiveness, sacrifice, and perfect obedience to the Father forms the spiritual sword through which Christ reveals divine truth.

His holy actions demonstrate the righteousness of God.

His holy virtuous words proclaim the truth that exposes sin and calls humanity to repentance.

Thus, the sword is spiritual rather than physical.

3. The Sword Cuts the False Peace of Sin

The peace rejected by Christ is understood symbolically as a false peace that exists where sin is tolerated and truth is suppressed.

The sword of Christ cuts away:

- Evil desires that oppose God's will.
- The evilness rooted within the sinful heart.
- Greedy works that place material gain above righteousness.
- Selfishness that replaces love of God and neighbor.
- Every sinful attachment that seeks comfort without repentance.

By cutting away these sinful realities, Christ destroys the illusion of peace founded upon evil and reveals the path to true peace with God.

4. The Purpose of the Sword

The sword of Christ is not given to destroy human beings.

Its purpose is to destroy sin, expose deception, purify the heart, and transform human life through divine truth.

Christ's holy actions and holy virtuous words invite every person to abandon sin and embrace holiness.

5. Conclusion

Matthew 10:34 reveals the spiritual mission of Jesus Christ. His sword is the power of divine truth expressed through holy actions and holy virtuous words. It cuts away evil desires, the corruption of the heart, greedy works, selfishness, and every form of false peace rooted in sin. Through this spiritual sword, Christ establishes the true peace of God's Kingdom, where holiness, truth, justice, and love reign.

Author's Symbolic Thesis

The sword of Jesus Christ in Matthew 10:34 symbolizes His holy actions and holy virtuous words, which cut away evil desires, the corruption of the sinful heart, greedy works, selfishness, and every false peace rooted in sin, leading humanity into the true peace of God's Kingdom.

The Healing Power of the Sword of Christ

The holy words of Jesus Christ brought healing to those who believed in Him. His words restored the sick, cast out evil spirits, forgave sins, and revealed the saving power of God.

Within this symbolic interpretation of **Matthew 10:34**, the holy words of Christ are understood as the holy sword of God. This holy sword does not inflict physical harm; rather, it cuts away the spiritual roots of human suffering.

Accordingly, the holy sword of Christ:

- cuts away the evil sin that gives rise to spiritual death;
- cuts through the evil corruption of the human heart;
- cuts away the evil desires that oppose the will of God;
- cuts away greed and selfishness that sustain false peace;
- cuts through the evil associated with disease, restoring the person through the healing power of God's holiness.

Thus, the holy words of Christ, acting as the holy sword, destroy the dominion of sin and establish true peace, healing, holiness, and communion with God.

Author's Symbolic Proposition

The holy words of Christ healed the sick because they are the holy sword of God. Symbolically, this holy sword cuts away the evil of sin, the corruption of the heart, the roots of spiritual disease, and the false peace sustained by evil, revealing the healing, holiness, and true peace of the Kingdom of God.
